

Specimen Signature Form

This form must be completed when the signature we hold on record differs from that recently supplied to us or your signature differs from the identity document provided to open your Client Portfolio Account.

In order for the continued maintenance of your account and to assist us in identifying any fraudulent attempt on your account it is imperative that we maintain an up to date specimen of your signature.

Client Portfolio account number
(for existing account holders)

Client Portfolio account holder name

I confirm that my present signature as shown below is my current signature.

Please state the reason why your signature has changed. If the change of signature is due to a change in circumstance i.e. marriage/divorce/legal change of name, then a copy of the legal document will be required, correctly certified with an updated proof of identity, also certified.

Please state the reason why your signature has changed.
