## Important information

This document is for information and illustrative purposes only and is for use of the recipient. It is not to be reproduced, copied or made available to others. This document is considered to be a general market or informational commentary and does not constitute any type of investment or other professional advice, it is not a personal recommendation and does not take into account the particular investment objectives, financial situations or needs (including tax) of individual clients. This document is not intended and should not be construed as an offer, solicitation or recommendation to buy or sell any specific investments or participate in any investment (or other) strategy. Investors should be aware that past performance is not an indication of future performance and the value of investments and any income derived from them may fluctuate. You may also not receive back the amount you originally invested.

When we provide investment advice it is on the basis of a restricted approach, that is to say whilst we review and advise on retail investment products from the whole of the investment market, we can also advise you on direct investments, we will not consider your wider financial planning and pension requirements, unless you wish us to do so, when we will refer you to one of our wealth planners.
